## Risk Management Center Leverage Questions

### **Sample leverage questions for your clients:**

1. What kind of assistance do you currently get to highlight problem areas and providing solutions?
2. How do you track incidents for frequency or possible severity?
3. Who helps you prepare training programs when you notice an increase in certain types of incidents?
4. What's your current Payroll Service Provider do to assist?
5. Do they have a tool like the RMC they provide to you?
