

# ALL-NEW SUCCEED RISK MANAGEMENT CENTER®

## Introducing the Redesigned Risk Management Center

- EHS Best-Practice Library
- Workplace Safety Management
- Employee Training & Development
- Risk Mitigation Tools
- Hazard Communication Control
- Compliance Reporting

## Improved Design, Performance, and Experience

The Risk Management Center has been upgraded to enhance and streamline your risk management and occupational health and safety strategy.

- Fresh new look
- Simpler and more intuitive workflows
- Robust and mobile-friendly software architecture

The new Risk Management Center still has all the features and functionality you use today. Its evolutionary design will ensure a seamless transition for experienced users, while new users can be productive quickly.

Compatible with all major browsers and tablets

Android tablets with the latest Chrome browser, Apple iPads and computers with the latest Safari or Firefox browser, Windows PCs with Internet Explorer 10 or higher, or the latest Firefox or Chrome browsers.

## Fresh New Look and Feel

- ✓ Redesigned based on the best-practice principles of User-Centered Design, and your continual input and feedback
- ✓ Cleaner look for all buttons, forms, and fields, delivering functionality that is more friendly and still familiar

## Quick Links™, Alerts & Notifications

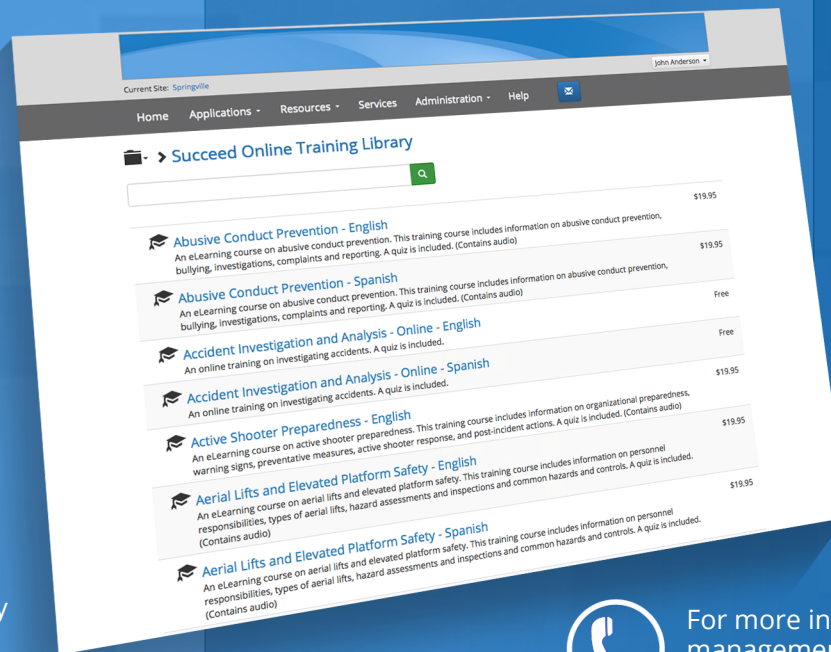

- ✓ Quick Links provide immediate access to useful features, and a portal to other third party software applications
- ✓ Alerts & Notifications keep you on track, and on top of staff performance
- ✓ Customizable home page can become your dashboard for the work day

## New Global Navigation

- ✓ Uniform visual layouts across the entire platform will streamline and enhance your experience
- ✓ Intuitive, step-by-step data entry wizards; great for beginners and experienced users
- ✓ Increase productivity and accomplish tasks simply, quickly, and correctly
- ✓ Easier employee management

## New, Simpler Workflows with Built-in Wizards

- ✓ Now you can access different applications instantly and always know where you are
- ✓ Switch between sites or apps with a click
- ✓ Enhanced administrative features mean you can customize the platform for your organization's needs

## Improved Resource Library, New Advanced Search

- ✓ All library materials have document summary, file type, and document description
- ✓ A powerful new search capability delivers faster, more reliable and relevant material, for each application
- ✓ Find what you need quickly and easily
