

Risk Assessment Service

Positively Impact Your Organization and Risk Management Program!

- ✓ We are experienced developing comprehensive GAP Analyses.
- ✓ We focus your risk mitigation efforts to enhance your organization's profitability.

Our comprehensive Risk Assessment Service covers

- ✓ Loss trending and analysis through our Risk Management Center.
- ✓ Review of current risk management programs, training and accountability systems.
- ✓ Review of hiring practices and orientation.
- ✓ Evaluation of incident reporting management, and Return to Work programs.
- ✓ Evaluation of existing audit processes.

Our team of professionals develops a detailed action plan, using the efficiencies of the Risk Management Center, and also provides a timetable for implementation.

For more information about conducting a Risk Assessment, please contact your risk management platform provider or Succeed Client Services at 503.766.6099 or clientservices@succeedms.com.
